

* * * Notice to Applicant * * *

Our goal is to process your application quickly and get all information verified within 60 days of receipt.

Incomplete applications will not be processed and may be returned to the sender.

Here are things **you can do** to help in processing your application:

- 1. Provide the name, <u>current</u> addresses, telephone numbers and fax numbers for your training program director and the current program director, if different; all past and present hospital affiliations (medical staff office), with dates of affiliation, etc. Please be accurate with dates.
- 2. Include names and complete addresses for **all** professional liability coverage for the past five (5) years, including any self-insured trusts, and details of **all** malpractice claims, settlements or judgements, closed or pending, including the amounts of any settlements during the past ten (10) years. (Attachment G)
- 3. Submit a recent photo of yourself with your application. Also submit a copy of your current Driver's License.
- 4. Provide three (3) professional references as indicated on the application with current, complete addresses, telephone and fax numbers for each one. Avoid references with obvious conflict of interest issues. Please contact the individuals listed on your application and ask them to provide a prompt reply to our requests for verification
- 5. Provide a list of all cases performed in residency OR if out of training for two (2) or more years, provide a list of cases performed during the past two years at your most recent active hospital (with complications, if applicable). The privileges request form will indicate the minimum number of cases needed. Review the privileges you are requesting and submit all information necessary to document training, experience and current competency according to the criteria when applicable (as noted on privilege form or attached criteria).
- 6. **Incomplete and/or incorrect information** on the application may cause delays in the credentialing process, and may result in a denial of your application. "See CV" or "See previous application" is unacceptable on an application for medical staff membership and privilege. Write legibly.
- 7. Review your entire application for accuracy and completeness, making sure **all** questions are answered appropriately. Check the dates you have provided for any "gaps" of time, i.e., vacation, leave of absence, relocating, etc. If gaps exist, provide a written explanation. **Any misstatement or omission of information will be considered falsification and may be grounds for the rejection of your application and the refusal to consider any future applications.** Remember that <u>you are responsible</u> for providing all information necessary to process your application for membership and privileges.
- 8. The application fees for Texas Health Harris Methodist Hospital Southlake are:

Physician Initial application - \$200

Physician Reapplication - \$100 Active Staff

Physician Reapplication - \$150 Courtesy/Consulting Status

Physician Reapplication - \$500 Courtesy with less than 6 cases per year

Allied Health Initial application - \$150

Allied Health Reappointment - \$75

- 9. **Medical Staff Bylaws/Rules & Regulations** are located on the web site: <u>www.texashealthsouthlake.com</u> under Medical Staff Services. Review the Physician Compliance Module, Physician Policies and Orientation Manual.
- 10. Please provide copies of all supporting documentation; Sign and return all of the Department addendums; Provide two (2) years CME's or CEU's necessary for licensure; Include a current copy (within the last 12 months) of your PPD test results/chest X-Ray results, etc. You may be asked to provide additional information as needed.
- 11. ALLIED HEALTH REFERENCES: Name two members of your same discipline and one physician who have personal knowledge of your current professional abilities, ethical character, health status, and ability to work cooperatively with others and who will provide specific written comments on these matters upon request from THSL and Medical Staff authorities. The named individuals must have acquired the requisite knowledge through recent observation of your professional practice over a reasonable period of time.

 None of the individuals should be related to you by family or recently initiated or impending professional partnership/financial association and each should currently have a hospital affiliation.
