

Moderate Sedation

Name: _____

Qualifications

To be eligible for privileges in Moderate Sedation, the applicant must meet the following qualifications:

- For Initial and reappointment : current **ACLS** certification **and**
- Current ABMS certification or eligibility to participate in the examination process leading to certification; **and**
- Successful completion of a postgraduate residency accredited by the ACGME or AOA.

Privileges in moderate sedation:

- Promoting a drug-induced depression of consciousness during which patients respond purposefully to verbal commands, either alone or accompanied by light tactile stimulation. No interventions are required to maintain a patient airway, and spontaneous ventilation is adequate. Cardiovascular function is usually maintained.

Acknowledgement of practitioner:

I have requested only those privileges for which by education, training, current experience, and demonstrated performance I am qualified to perform, and that I wish to exercise at **Harris Methodist Southlake**, and

I understand that:

- (a) In exercising any clinical privileges granted, I am constrained by hospital and medical staff policies and rules applicable generally and any applicable to the particular situation.
- (b) Any restriction on the clinical privileges granted to me is waived in an emergency situation and in such a situation my actions are governed by the applicable section of the medical staff bylaws or related documents.
